"A Year Together"

Good times, bad times
      happy and sad
We've lived through them all,
      no matter how bad.

With friends like each other
      pulling us through
The times when we're down
      or feeling quite blue.

New friends are coming
      old arriving this fall
We'll always remember
      every one and all
